Fall 2013 EPDs Are Rolling Out

It's that time of year again! Fall 2013 EPDs are starting to roll out and Semex is extremely excited to check out the new numbers. The Red Angus Association of America and the Canadian Charolais Association are the first to release their new numbers. Check them out online today at www.semex.com/beef. Some highlights include:

- Bieber Steakhouse Y165 continues to show exceptional growth and muscle, ranking in the top 1% of the breed for WW, YW, CW and REA!
- Merit Roundup 9508W continues to showcase awesome balance, combining breed leading calving ease, performance, maternal strength and muscle.
- Cedardale Yellowstone 25Y has an impressive 46 TM EPD and 24 MILK EPD, showcasing exceptional maternal strength, and also ranks in the top 10% of the breed for MARB.

Remember to check back as more Fall 2013 EPDs are released!
