

Canadian Western **AGRIBITION**

The Canadian Western Agribition kicked off at the Evraz Place in Regina, SK on November 21st. In its 39th edition, Agribition extended its hours to an 8 day event with a larger trade show, additional entertainment, increased livestock entries and several impressive livestock sales.

Semex was extremely proud to be a part of Agribition and enjoyed meeting with producers, speaking with other industry representatives, and seeing the strength of Semex genetics in the barns, at the sales and in the show ring.
