A memorial fund has been established in memory of Ryan Vanderpost, Uxbridge, Ontario. All donations received are going to the "Tim Hortons Children's Foundation" as well as increasing awareness of mental health issues in youth.

At the "Sale of Stars" at the Royal Winter Fair there has been a calf generously donated to the sale by Rocky Mountain Holsteins of Cochrane, Alberta in Ryan's memory. There are donations being taken to pool together to purchase the calf and then it will be re-donated and auctioned off to the subsequent bidder with all proceeds going to the Ryan "Chisel" Vanderpost Legacy Fund.

We have included the sale consignment pages from the Sale of Stars catalogue.

"It's not the amount of years in your life, but the amount of life in your years"

Ryan Vanderpost was an avid outdoorsman who enjoyed everything about the Canadian wilderness. That passion was enhanced last summer while he was working next to the majestic foothills of the Rocky Mountains at the Tim Hortons Children's Ranch in Kananaskis, Alberta. Ryan, died suddenly in late April. He was only 19. His father, Garry Vanderpost, said his son, who had recently attended the University of Waterloo for Environmental Geography studies, enjoyed nature, animals and "just being outdoors" and was really looking forward to returning to camp this summer.

So the Vanderposts, along with their other two children, Trenton and Madison have set up a trust fund in memory of their son with all proceeds going to support the Tim Hortons Children's Foundation, which helps send underprivileged children to summer camps across Canada such as the children's ranch in Kananaskis. The family managed to raise \$7,500 for the fund immediately following their son's funeral. "In lieu of flowers we wanted to do something that he would have liked," said Mr. Vanderpost, adding Ryan dedicated much of his time helping children and was a supporter of the children's foundation. "What the Vanderposts have done is really a positive note on a tragic situation and something that will help a lot of kids,"

Ryan, nicknamed 'Chisel,' found a new love of carpentry while working at the camp last summer in Alberta. Mr. Vanderpost said working next to the mountains and surrounded by wilderness made a big impression on his son, hence the Ryan "Chisel" Vanderpost Legacy Fund has been established.

The Vanderposts have another goal.....to raise awareness in Mental Health for our youth. The family feels "Mental Illness" is something that is so misunderstood, and carries a stigma to it, that we need to remove. By educating our youth, and letting them know they are not alone, not to be ashamed and to ask for help."
