

Artificial Insemination Swing Technician

EastGen has an immediate opening for an individual with a strong background in agriculture to work as an A.I. Swing Technician in Districts 87 & 91 in the Central-North Region, primarily covering Bruce, Perth, and Huron Counties.

Responsibilities include:

- providing artificial insemination service (A.I.) and agri-product sales;
- promotion of current and new products and services to established and potential clients;
- offering consulting service to breeders who have questions related to reproduction, and,
- participating in occasional staff and/or client meetings

Qualifications include, but are not limited to:

- keen interest in cattle
- knowledge of the agriculture industry and at least two years related experience
- physically fit with acute manual dexterity
- excellent organization and time management skills
- valid Ontario driver's license and clean driving record
- flexibility to work rotating schedules which include some Saturdays, Sundays and holidays

Although not essential, preference will be shown to those who have previous experience breeding cattle. All required training will be provided. You will be provided with a company-owned vehicle with which to provide service to our customers.

Applications must be submitted by 5:00 p.m. on October 31st and should be sent to:
