EastGen Showcase Embryo Jackpot A True Reflection of the Generosity of Local Breeders

The 2013 EastGen Showcase in Spencerville will once again feature a variety of exciting Embryo Jackpot Prizes thanks to 13 Eastern Ontario Holstein and Jersey breeders. The Jackpot Prize Embryos are awarded to one winner whose name is drawn at random from each of the three Showmanship and five Conformation classes at the Showcase. This year's group of embryos are of excellent quality, making a welcome high-quality addition to any herd. EastGen Regional Sales Manager Chantal Charette comments "Our EastGen Sales Representatives have made a great effort to work with breeders and source these elite embryos. I am very impressed with the generosity of our local breeders and their support for our 4-H youth. We have an excellent selection of embryos with tremendous pedigrees this year." Our 2013 Embryo Jackpot list grew so quickly this year, three embryos will be featured at the EastGen Challenge-East in Markham. Special thank you to Warren McIntosh of Glengarry Stock Farms, Apple Hill, ON, Evan Porteous of Harmony View Holsteins, Winchester, ON, and the Snowdon Family of Snowdame Farms, Merrickville, ON for donating elite embryos that will be included in the Jackpot Prizes in Markham. As a result of this tremendous support, the EastGen Showcase will include a Silent Embryo Auction during the event for the third year.

A huge thank you goes out to all breeders who have donated embryos this year. Our Embryo Jackpot Prizes and Silent Embryo Auction would not be possible without your support. Visit the EastGen Youth Event Facebook page to view the current embryos available, their pictures and pedigrees. Good luck to our participants this year - we look forward to another successful EastGen Showcase!
