### JERSEY

An early and very nice holiday gift for our Jersey breeders with a **NEW #1 GLPI and #1 Pro\$** Jersey sire - **0200JE07756 Golden GDK VIVALDI!** Born in Denmark and sired by the Danish bull Lix, **VIVALDI** will represent a total outcross with unreal components (+95 kg Fat, +1.07% and +52 kg Protein, +.53%). **VIVALDI** also offers rock-solid Conformation with +7, plus ratings for every major breakdown and amazingly for every single Health & Fertility trait. **VIVALDI's** dam **Impuls Violet** was born in Denmark as the result of an imported embryo. He carries the designations of **HealthSmart**, **A2A2**, and with a NRR of

67, the coveted **ReproMax** designation. Unfortunately, **VIVALDI** is dead but we do have a supply of semen on him that is available on a **Pre-Order Only** basis. **You won't want to miss out on VIVALDI. He has all the bases covered!**

**DURHAM** **Springlea DURHAM**, who will be made available on a **Pre-Order Only** basis, is our second of two Jersey additions. **DURHAM** is a Honek son from **Springlea Premier Dazzle VG-87** and then a VG-87 Lillibet's Legacy that stems from the famous **Rexlea Performing Hostess**. **DURHAM** is \$2003 Pro\$, 1802 GPA LPI while offering solid Milk (+853), pleasing components (+.08% Fat, +.16% Protein) and double digit type (+10 Conformation). With 11S for Udder Depth, **DURHAM** is one of the best in the business. He'll offer great feet (+6 Foot Angle) and correct leg set from the rear (+9 RLRV) and sound rumps (+5 Overall). This all together would tell us they are made to last and with 108 Herd Life, that's exactly what they are. **He's our best for HL!**
