

AYRSHIRE

One new Ayrshire addition this proof round and one huge newly proven sire addition. We start with our new addition **Marbrae Megashot** who debuts with +3142 GPA LPI, +386 Milk, +.05% Fat, +.10% Protein, and a pleasing +13 for Conformation. The **Robot Ready™** & **A2A2** designated

Megashot is a Facetime from a VG-86 ELITE Yellow from a VG-88 2* Arbiter, both with high herd BCA deviations and high components. **Megashot** is a true type specialist that will offer outstanding, snug udders (+13 Overall, 5S Udder Depth), with exceptional Texture (+12) and Median Suspensory (+13). Breeders

can expect ideal Feet & Legs and Dairy Strength (+10 for both), and correct sloping rumps (+8 Overall, 2A Thurl Placement, +5 Loin). Exciting early field reports on **Des Mesanges Dalton** have proven out

incredibly well with **Dalton's** debut as Canada's #1 GLPI proven sire (+3455), #1 Pro\$ sire (\$2174), #3 Fat sire (+79), and #2 Conformation sire with an astounding +14! **Dalton** is a Diesel from VG-2YR Amazing from a VG-2YR Bigstar from a VG-87 2* Oreo. Aside from being immensely profitable, **Dalton** daughters

are made to last (105 HL) with shallow, silky udders (1S Udder Depth, +11 Texture), breed leading Feet & Legs (+18), and he is uniquely a **Calving Ease** specialist (107) who offers capacious frames (+13 Dairy Strength)! With two **Dalton** sons currently available on our lineup, **Laroc Crispers** and **Marilie Merino**, his genetic influence is going to be undeniable and influential for some time!

BROWN SWISS

One new addition this proof round for our Brown Swiss enthusiasts with **Hilltop Acres P Tampa**. **Tampa**, sired by **Perfection**, is a maternal brother to Titos. **Tampa's** dam is VG-87 from an EX Cadence from the same family as the renowned **Cozy Nook Pronto Twilight EX-92-4E**. **Tampa** is our third highest

ranked sire with +2415 GPA LPI, +1119 Milk, +53 Fat (+.03%), +54 Protein (+.08%) and an outstanding +9 for Conformation and Mammary System. **Tampa** daughters will be made to last (111 HL) and breeders can use him as an udder health specialist for their herds (109 SCS).

JERSEY

In the past year, literally no sire has generated more excitement and talk than the newly crowned genetic giant — **Lencrest Tobefamous**. **Tobefamous** is proving to be a generational sire as he continues to rack up impressive tanbark wins while winning over the hearts of Jersey breeders around the world! **Tobefamous** more than doubled his number of daughters for both production and type this round resulting in him becoming the #1 GLPI (+2107); #6 Pro\$ (\$1802);

and for sires with positive Milk (+367), he is the #1 Conformation and #1 F&L's sire (+14 for both)! He is also the #2 Mammary System sire (+12) for sires with positive Milk, second only to **River Valley Cece Choice**. **Tobefamous** is living up to his name and reputation!

The proven sire **St-Lo Honeydew** has been newly added to our Pro\$ lineup. The Chief {6} son joins as Canada's #4 GLPI sire with +2012 and #4 Pro\$ sire with \$1940. **Honeydew** hails from the same family as **St-Lo Virtuoso** and **St-Lo Nuance** stemming from a VG-86-2YR 1* Notepad daughter of the renowned family matriarch **Dorlyn Jete-Stream Miel SUP-EX 94-7E 3*** (a Gold Award winner, two-time Silver Award winner and two time Lifetime Production Award Winner). **Honeydew** will represent an outstanding source for high Milk (+1197), Fat (+71 kg, +.11%), Protein (+50 kg, +.05%), solid Conformation (+6), and F&L's for any modern dairy environment (+10 Overall, +15 Foot Angle, +11 Heel Depth, RLRV +6).

Other Jersey Highlights: **Dulet Mr Brown** has been touted as representing the mating of a lifetime crossing the elite type Video son Virtuosos on the amazing **'Bagel'**! He is living up to his billing soaring to a +20 for Conformation this round while experiencing gains for Mammary System (+17), F&L's (+12), Dairy Strength (+13), and Rump (+10)! The excitement around **Mr Brown** continues to grow. The popular **Dulet Goldorak** (Tobefamous x Jordan) is still an awesome choice for deviations improvement (+.83% Fat, +.26% Protein) and Conformation jumping a point to an awesome +18. The Boomerang son **Unique Xenial** experienced gains for Milk (+1071), Fat (+63), and Protein (+51) while holding at a pleasing +12 for Conformation. The exceptionally well-bred **RJF Machete** (Maverick x the 7th generation EX — **RJF Chrome Chocolate EX-90**) gained on GLPI to +1880 while holding at +11 for Conformation. **Dulet Samba** (Goldorak x Boomerang) gained for GPA LPI (+2013), Milk (+458), and for Conformation to +17. We have secured enough conventional semen on his full brother, **Dulet Simba**, to include him onto our proof chart this round. **Simba** also saw gains for GPA LPI (+2024), Milk (+223) and type — he now stands at an impressive +19!

GUERNSEY (GU) & MILKING SHORTHORN (MS):

Coule Crest Carver remains our #1 GU sire with +1205 GPA LPI. The #1 proven GU sire for type remains **Coule Crest Tsunami** who made a big jump to +16 for Conformation! **Oceanbrae Generator** saw gains on GPA LPI to +2119 and remains available conventional or **Pre-Purchase Sexed**. Our top proven MS, **Oceanbrae Foster**, added more daughters which resulted in a small gain for GLPI to +1836 while holding for Conformation with +11.
