PINE VIEW MOGUL G241

- Mogul combines calving ease and high end growth traits, but that's only the beginning!
- Mogul's CWT and EMA are right at the pointy end of the Angus breed and combines this with exceptional foot scores and Indexes. There is no denying Mogul's potential in the breed over the next few years.
- Mogul stems from a cow family that reads as the whose who of maternal power which includes maternal Grand Dam Isabel Y69, an industry legend leaving her mark again in producing the best of the best.
