

**Are you interested in a career in the agricultural industry? Do you have a strong interest in cattle?  
If so, this opportunity is for you!**

EastGen is looking for an energetic individual with a passion for the dairy industry and/or background in agriculture to work as an EastGen Intern.

As an EastGen Intern you will be exposed to all facets of our industry including exposure to multiple roles within the organization.

- Through training and developmental opportunities, you will gain knowledge of the dairy industry and EastGen.
- You will be provided training and experience in our Distribution Department and as an AI Technician.
- You will learn about and assist with packing semen and agri-products for distribution throughout the EastGen network.
- You will have the opportunity to assist experienced AI Technicians to provide AI services and promote farm and agri-products to current and prospective customers.
- You will learn from our Dairy Solutions Specialists, Reproductive Specialists and Sales Representatives who use leading research and innovative technologies to provide value-added service to our customers.

Qualifications include, but are not limited to:

- passion for the dairy industry and a keen interest in cattle
- knowledge of the agriculture industry
- keen interest to learn and develop your skills and knowledge
- physically fit with acute manual dexterity
- excellent organization and time management skills
- valid Ontario driver's license and clean driving record
- flexibility to work rotating schedules which include some Saturdays, Sundays and holidays.

All required training and equipment will be provided for this full-time internship opportunity.

EastGen encourages people with disabilities to apply for open positions. Accommodations will be available upon request for candidates participating in the various stages of the recruitment process. Please contact: [careers@eastgen.ca](mailto:careers@eastgen.ca).
