

EastGen is continuing to build our team and grow our business. We currently have a full-time A.I. Technician position available.

At EastGen, we challenge ourselves to constantly advance the dairy industry and we are accountable to farmers first. If you want to join a company that leads the industry with unmatched genetic innovation, leading-edge technology and advanced reproductive solutions – APPLY TODAY.

Location: The service area will span across Brant, Wentworth and Haldimand. The ideal candidate will live within a reasonable distance or be willing to relocate within a reasonable distance from the service area.

EastGen is proud of our team of the best trained, most knowledgeable staff in dairy genetics. With the evolution of the dairy industry, reproductive technology is becoming an increasingly important aspect of EastGen's business and the AI Technician role. As an EastGen AI Technician you will use our tools, training and technologies to:

- Provide artificial insemination service (A.I.) and sell farm and agri-products;
- Promote current/new products and services to established and potential clients;
- Offer consulting service to breeders answering questions related to reproduction, and,
- Participate in staff development opportunities, and staff/client meetings.

A keen interest in cattle, knowledge and experience in the agriculture industry, breeding experience, physical fitness with acute manual dexterity, excellent organization and time management skills, a valid 'G' Ontario driver's license and clean driving record and flexibility to work rotating schedules, including weekends and holidays are a few of the attributes you bring.

Perks: EastGen, a leader in the industry, offers a progressive and challenging work environment and competitive compensation package that includes performance bonuses. We are committed to continuous learning and professional development and provide ongoing training opportunities through the EastGen Learning Centre that build on our strengths and develop our talent. All required training will be provided. You will be supplied with a company-owned vehicle with which to provide service to our customers.

EastGen encourages people with disabilities to apply for open positions. Accommodations will be available upon request for candidates participating in the various stages of the recruitment process. Please contact: careers@eastgen.ca.
