

EastGen is a dynamic organization that is committed to developing value-added solutions to ensure our customers achieve their goals through genetic excellence and innovative technologies. We are currently seeking an energetic individual for the role of Distribution Delivery Specialist. At EastGen we believe that people truly are the cornerstone of our business, and that our employees are the key to our success.

Key Areas of Responsibility:

- Accurately pack, unpack and store all EastGen semen
- Maintain embryo inventory
- Able to work in -196c temperatures
- Handle special shipments to the field and across Canada
- Fill liquid nitrogen tanks in the warehouse & ET Room weekly
- Liaise with AI Technicians and Sales Reps
- Receive/verify orders of all farm products
- Warehouse and pack all farm products for distribution to the field
- Delivering of all semen & farm products to depot's throughout Ontario
- Responsible for the maintenance of the delivery truck
- Responsible for the weekly deliveries of CIP & DIP products

Required Competencies:

- Excellent verbal and written communication skills
- Attention to detail and able to perform routine duties
- Proven team player
- Ability to handle and lift heavy boxes and tanks
- Highly motivated and able to work independently
- A valid G license and a clean driving record
- Good organizational and computer skills
- Must be available to travel weekdays with periodic overnight stays

Perks: EastGen, a leader in the industry, offers a progressive and challenging work environment and competitive compensation package that includes performance bonuses. We are committed to continuous learning and professional development and provide ongoing training opportunities through the EastGen Learning Centre that build on our strengths and develop our talent. You will be supplied the necessary equipment with which to provide service to our customers.

EastGen encourages people with disabilities to apply for open positions. Accommodations will be available upon request for candidates participating in the various stages of the recruitment process. Please contact: careers@eastgen.ca.
