NEW PRODUCT

New! **EXCELmin** TAKE YOUR HERD TO THE NEXT LEVEL

EXCELmin products are made with highly digestible and absorbable chelated trace minerals. **EXCELmin** products are specially formulated to enhance performance and production for every segment of your herd.

EXCEL Calf
- Everyday source of essential trace minerals used to boost the immune system in calves

EXCEL Rush
- Palatable mixture of glycol, trace minerals, and molasses to support animals with ketosis

EXCEL Force 5
- Used to maintain healthy immune and reproductive systems for targeted periods during time of stress

Ask your EastGen rep how our new **EXCELmin** can *take your herd to the next level!*

Elevate will **make you money.** Ask your EastGen rep **how to get started!**

FINALLY. THE GENOMIC TEST **YOU'VE BEEN WAITING FOR.**

Elevate GIVES YOU Immunity+

- EXCLUSIVE - Immunity and Calf Immunity indexes are published on all Holstein, Jersey & Ayrshire Semex sires and Holstein females tested with Elevate®
- Includes A2A2, Haplotypes, & Kappa-Casein results
- Data is always at your fingertips with the Elevate app

Put Genomics to Work.

Breed for a healthier herd from start to finish with Elevate.

Get a **FREE** EastGen Immunity+ Hoodie when you buy **40** doses of Immunity+ sires or **5** Immunity+ embryos.

It's that easy!

Ask your rep for more information.

THERE'S ONLY ONE HEALTH INDEX THAT MATTERS.

The RESULTS are in! EastGen evaluated ~2,000 cows in 6 Ontario milk-recorded herds (320 cow/avg).
