Dairy Show: The show will combine breeds into one open calf show. There will not be separate, breed-specific classes. The Challenge Committee reserves the right to combine classes or divide classes into heats as deemed necessary.

Showmanship Category: 4-H competitors must be between the ages of 14 and 21 as of January 1st, 2022 with: Juniors being 14 years of age; Intermediates between 15 and 17; and Seniors between 18 and 21. Competitors must be a member of a 4-H Calf Club and must exhibit their 2022 4-H Calf Project unless a special exception has been granted by the Challenge Show Committee prior to attending the 2022 EastGen Challenge Event.

Conformation Category: Calves will be divided into the five following categories: Junior Heifer Calf, Intermediate Heifer Calf, Senior Heifer Calf, Summer Yearling and Junior Yearling. Competitors must bring their 2022 4-H Calf Project.

Calf ID and Show Ethics: Each participating 4-H project calf must be presented with the calf's registration paper or a copy of the registration paper for confirmation of identification. It is mandatory that each dairy calf be tagged with NLID tags. Calves arriving at the fairgrounds without tags will not be allowed to participate in the show and will be asked to leave the grounds immediately. It is important that the Canadian cattle shows are seen to endorse good animal husbandry practices and promote the Canadian industry in the spirit of fair play. Unethical showing practices will not be tolerated.

Criticizing or interfering with the judge, show management or other exhibitors, or other conduct detrimental to the breed or show will result in disqualification from the entire event.

Illness/Zoonotic Disease: Evidence of sickness/disease resulting in the removal of your 4-H project animal must be presented to the show staff prior to the show date. EastGen veterinarian/show staff has the sole authority to determine if an animal is eligible to participate in the EastGen Challenge event.

Mandatory Health/Wellness Check: A mandatory health check will take place upon arrival of all calves. EastGen veterinarian/representatives have the sole discretion to eliminate animals from participation of the EastGen Challenge event.
