SEMEX

It is without a doubt that Durham is leaving a large impact on the breed, but his greatest accomplishment may be through his sons.

Semex's *TV Durham sons like **Mainstream Magical, Emerald-Acr-SA T-Derek, Regancrest-LH Modest** and **Mr Chestnut-Hyll Jackman** offer the same tremendous qualities that made their sire famous.

Poly-Kow Mailing and **Regancrest-MR Samuelo** are the newest Durham sons to be added to the Semex sire lineup, and are sure to carry on in their brother's footsteps.

These bulls will be used as sires of sons, continuing the Balanced Breeding philosophy at the Semex Alliance.
