

BEAULANDS EDEN ET

Semex has released another high quality young Aussie Red Sire for progeny testing.

His dam, Beaulands Orraryd Ethel, is internationally recognised since appearing on the cover of the last "Red Cow International" magazine. She is admired for her type (86@2year old) and her high production.

2.6y 7608 ltrs 3.3% 249kg P 3.9% 297kg F , 305d 114 PI
3.6y 9580 ltrs 3.3% 318kg P 3.8% 364kg F , 305d 114 PI

His Sire, S Adam is currently the 5th highest ranked Swedish Red bull. He is renown for his daughters high fertility, lower SCC and less mastitis treatments. Easy calving, quiet and long living daughters with good udders. S Adam is sired by Botans (the sire of Australia's number 1 APR bull, ARBBobdown)

Beaulands Eden is now available for \$10.00 (rrp + GST). This exciting young sire blends two of Australias greatest performing sires, Orraryd and Botans, with one of the elite cow families at Beaulands. He also has no Holstein content, which would also make him ideal to use in a cross breeding program.

Our commitment to excellence and our belief that **Every Dose Counts** guarantees that Semex sires are the most reliable, fertile and profitable choice for dairymen
