

### **New Angus – Vision Unanimous 1418**

Semex is excited to announce semen is now available in Australia from **VISION UNANIMOUS 1418**, he is available at RRP \$45.00 excl. GST.

#### **Comments:**

- Phenomenal performance posting an impressive 902 lbs weaning weight and 1,611 lbs as a yearling.
- Provides a fresh new pedigree, which is compatible with most mainstream bloodlines.
- The feet on Unanimous are impeccable, the best we have ever seen. He has a big solid foot with lots of heel and the right angle to his hoof structure. A definite foot improver for the breed. Peak Dot Angus
