

New Charolais Sire – Available in Australia

Silverstream Geddes is now available in Canada! Geddes is a smooth polled outcross New Zealand bred from the famed Silverstream Charolais program. Geddes excels in muscle shape and mass with tremendous volume and soundness. His outcross pedigree brings an array of new breeding options for Canadian Charolais breeders. Geddes ranks in the top 10% of the Charolais breed in breedplan for 200,400 and 600 day weight.
