- Resolute was the feature and second highest selling bull at the 2010 Peak Dot Sale. A calving ease sire that is extremely clean fronted and well structured, he possesses excellent performance and muscle.
- He exhibited an extremely low 72 lb BW while posting a 1,439 lb YW. His EPDs rank him at the top of the breed with a -0.1 BW to 92 YW ratio.
- Resolute may be one of the only true calving ease descendents of Traveler 004. He will combine the power of Predominant and the strong maternal traits of Basin Prime Cut, while providing the industry with a unique calving ease package.
