*"Anecdote-P" is an exciting polled sire
from one of the most exciting cow families
in North America.*

*He is the first son of Ironman-P to be sampled.
Ironman's first daughters show refinement,
superior udders and feet & legs, and positive
milk and component production figures.*

*Anecdote's dam, maternal grand-dam and 3rd dam
have all been in the Championship ring at National
Shows in Canada and USA, combined with breed-
leading production figures. This family has been
breeding true for type and components!*
