

BREEDER'S EDGE

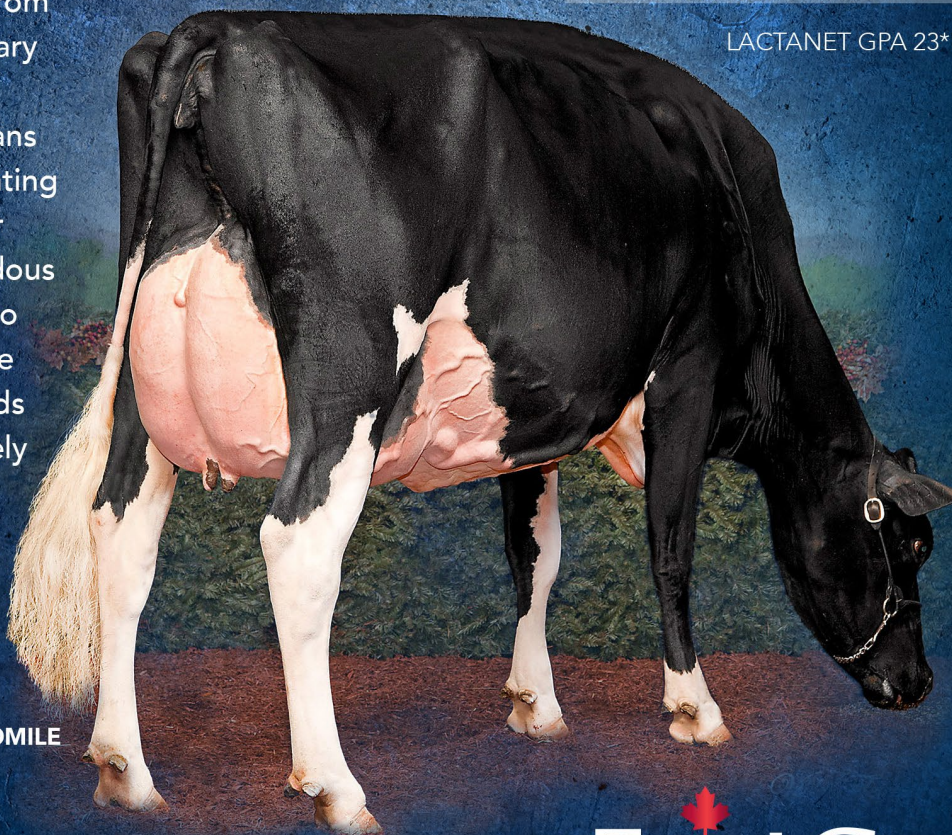

PHOTO: HOLLY MCFARLANE

A beautifully cut Lambda son from one of the breed's true legendary cow families, the 'CAMOMILE' family. 'CAMOMILE' earned fans around the world while dominating in show rings on both sides our Southern border. This tremendous brood cow's legacy continues to grow today as a sure-fire source for show-topping type and loads of production. The immaculately bred **CAMDEN** is an absolute legend in the making!
