An excerpt from Brian's Hall of Fame nomination reads:

"Brian O'Connor's contributions have left a tangible, measurable, and enduring legacy in Ontario agriculture and far beyond. His leadership has shaped the very structure of how cattle genetics are delivered in Ontario and Canada, secured critical infrastructure for producers, and created opportunities for generations of young people in agriculture. Without Brian's influence, many of the programs, partnerships, and protections that exist today would either not exist—or would look very different."

The 2026 inductees to the Hall of Fame are:

- The Honourable Robert Black
- Dr. Helen Fisher (Posthumous)
- Scott Graham
- Percy Hodgetts (Posthumous)
- Brian O'Connor

Congratulations to Brian and all 2026 inductees on this well-deserved honour. Your leadership continues to strengthen Ontario agriculture for generations to come.

ODYTF Supports 2026 Youth Events

EastGen is pleased to share that the Ontario Dairy Youth Trust Fund (ODYTF) will subsidize \$45 per registrant for participants in its three Ontario youth events in 2026—EastGen Showcase (Spencerville), EastGen Challenge West (Woodstock) and EastGen Challenge East (Markham). The commitment is in place for three years, subject to annual review.

"The EastGen events strongly align with our mandate to support education and hands-on learning opportunities for dairy youth," said ODYTF Chairman Ken Empey. "By investing in these initiatives, we are helping create meaningful experiences that inspire growth, confidence and leadership."

EastGen CEO Brian O'Connor thanked the ODYTF trustees, noting

EastGen Showcase
July 2-3, Spencerville, ON

EastGen Challenge West
July 13-14, Woodstock, ON

EastGen Challenge East
July 16-17, Markham, ON

that the support will help keep entry fees affordable for 4-H families as event costs continue to rise—costs that have traditionally been covered by EastGen. "The ODYTF has an outstanding reputation for contributing to the development of youth. We are so pleased they will support the Ontario participants as they learn and grow at our events."

Thanks to the ODYTF, the Ontario entry fee will be lowered to \$45 per participant this year (half price). Registration opens on AssistExpo in late April and closes June 1. Information will be shared through EastGen social media and 4-H Ontario.

The EastGen Atlantic Showcase for dairy and beef participants will be held July 6-8 in Truro, NS.
